ASSIGNMENT

WHEREAS, We, John F. Wirkus, a citizen of the United States, resident of the City of Saint Peters, State of Missouri, whose post office address is 119 Redding Ct., Saint Peters, Missouri 63376, and Robert F. Killion, a citizen of the United States, resident of the City of St. Charles, State of Missouri, whose post office address is 4011 Austin Dr., Saint Charles, Missouri 63304, have invented certain improvements in EXHAUST GAS RECIRCULATION AFTERBURNER for which we are about to make, and have this day executed, application for Letters Patent of the United States, identified as Attorney's Docket No. GSIE 8803US;

AND, WHEREAS, GSI Engine Management Group, a Delaware Corporation, with offices at 6241 Lemay Ferry Road, St. Louis, MO 63129, is desirous of acquiring the entire right, title and interest in and to said improvements in EXHAUST GAS RECIRCULATION AFTERBURNER and all patent rights therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, said John F. Wirkus and Robert F. Killion, do hereby sell, assign, transfer and set over unto said GSI Engine Management Group the entire right, title and interest in and to said improvements, and in and to all Letters Patent and patent rights which may be granted or issued for said improvements, in the United States and all foreign countries, and any reissue, reexamination, continuation, continuation-in-part, division, or extension thereof, the same to be held and enjoyed by said GSI Engine Management Group, a corporation, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this Assignment and sale had not been made; and we agree to execute such further applications, powers of attorney, assignments and other documents as may be necessary or desirable to effectuate this Agreement.

AND WE DO HEREBY authorize and request the Commissioner of Patents and Trademarks to issue that said Letters Patent, when granted, to the said GSI Engine Management Group, a corporation, its successors and assigns, as assignees of the entire right, title and interest in and to said improvements, for the sole use and behoof of said GSI Engine Management Group, a corporation, and for its successors and assigns, to the full ends of the terms for which Letters Patent may be granted.

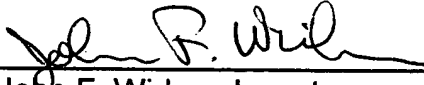

AND we further grant to GSI Engine Management Group, a corporation, its successors and assigns, the right to claim for any application for patent for said improvements the full benefit of any international agreement between the United States and any foreign country or countries.

AND our attorney is hereby authorized to insert in this Assignment the Serial No. and filing date of said application, when advised thereof, as follows:
